MEMORANDUM FOR: Director of Personnel  
Director of Training

Fred and Rod:

1. In a recent session with the summer interns I was asked a question as to why it is, at times, that if a summer intern is hired by the CT Program, the CT hiring rate is lower than the summer intern GS rating.

2. If such be the case, I find it very difficult to understand, as obviously would the people. I would appreciate the attention of both you gentlemen in looking at this problem and, when you are mutually prepared, please let me know and we can sit down and discuss the matter - - - don't write me any paper. I will leave the initiative to Fred to contact me when you are ready for the discussion.

John F. Blake  
Associate Deputy Director  
for
